

# District Math Nights Add Up to Fun, Informative Events

Three of Penn-Delco's four elementary schools have already hosted well-attended Math Nights, which annually provide an opportunity for students and parents to enjoy an evening of math games and activities. Parkside Elementary School will host their Math Afternoon on Tuesday, April 12 at 3:45 p.m. If you missed your elementary school's Math Night, Parkside Elementary School welcomes you to attend their event!
