

Sun Valley Band Receives “Superior” Rating

The Sun Valley High School Band participated in a parade band competition the weekend of May 14 in Sandusky, Ohio. Their outstanding performance was rewarded with the rating of "Superior," which is the highest possible rating. The band received 1st place in their division and the "Overall Parade Band" award for all of the bands in all competing divisions.

“These students are to be commended for representing Sun Valley and the Penn-Delco School District, not only in their performance, but in how they conducted themselves throughout the entire weekend,” stated Band Director Timothy Pry. The trophies presented to the band are on display in the lobby of Sun Valley High School.

Congratulations!
