

Two Penn-Delco Teachers Presented with “Best Teacher Under the Sun” Award

The Penn-Delco School District is proud to announce that two of the three teachers selected to receive the Sun East Federal Credit Union “Best Teacher Under the Sun” award for the 2010-2011 school year are Pennell Elementary School teacher Melissa Cook and Northley Middle School teacher Karen Scharrer. Ms. Cook and Ms. Scharrer were nominated for the award due to their outstanding achievements and exemplary efforts to inspire and motivate students.

Representatives from Sun East Federal Credit Union surprised both teachers by presenting the awards to Ms. Cook and Ms. Scharrer in their classrooms. The honor is only awarded to one teacher at the elementary, middle school, and high school level annually.

“We are honored to recognize these teachers who enable students to ‘reach beyond their grasp’ and demonstrate the love they truly have for teaching,” stated Ms. Denise Romanelli, Director of Employee Development and Community Relations for Sun East Federal Credit Union.

Ms. Cook and Ms. Scharrer each received an award of \$500 in recognition for their personal commitment and dedication as teachers, as well as an award of \$500 for their respective schools. They have also been invited by the Sun East Federal Credit Union Board of Directors and senior management team to attend a family reception honoring them on June 28th.
