

## The Harlem Globetrotters Visit Northley

Blenda Rodriguez and Ant Anderson of the Harlem Globetrotters visited Northley Middle School on March 3rd. The assembly they participated in highlighted the program "C.H.E.E.R. for Character." This interactive program focuses on the following character traits: Cooperation, Healthy mind & body, Effort, Enthusiasm and Responsibility.

During their visit, Mr. Rodriguez and Mr. Anderson incorporated the Globetrotters' signature ball handling skills into a motivational presentation for the students. They also selected a few lucky students out of the crowd to assist them. The assembly was sponsored by the Spirit Media Group, publisher of the *Community Spirit* and the *Chester Spirit*.
