

Northley Middle School Band & Chorus Students Receive “Superior” Rating

On Friday, May 6, the Northley Middle School Music Department participated in the High Note Festival held at Dorney Park in Allentown, PA. The festival gave students the opportunity to perform and be adjudicated by experts in the field of music education. Each of the judges provided taped feedback from the performance that the students were able to hear upon returning to school the following week. Both the band and chorus received a rating of “Superior,” the highest possible rating, for the third year in a row. After their hard work, students were able to enjoy a well-deserved beautiful day in Dorney Park. The students represented Northley Middle School and the Penn-Delco community extremely well both in performance and deportment.
