SVHS AUDITORIUM

On December 3rd and 4th, 25 SVHS students will be presenting the heartwarming stories by Robert Fulgrum found in the play "All I Really Need to Know I Learned in Kindergarten". The shows are at 7 PM in the SVHS auditorium. Tickets are available at the door, and refreshments at intermission are free. Join us for some dessert theater! All proceeds benefit the theater program.

This comedy celebrates the simple lessons of life while presenting compelling questions and challenges. The cast has been working hard to capture the spirit of the piece, and we anticipate an excellent show! For more information, please contact Mr. Dietzler at bdietzler@pdsd.org.
