A message to all Parents/Guardians of Sun Valley High School Seniors

Dear Parents/Guardians,

As you may be aware, for the past several years, Sun Valley High School has held its graduation at the University of Delaware's Bob Carpenter Center. While the venue has been well received, and those who have participated in graduations at that location were generally pleased with the experience, the high school annually receives inquiries from parents who suggest we consider a location a bit closer to home. While that was not practical a few years ago, the addition of the relatively new Neumann University's Mirenda Center to our community provides a compelling alternative for our graduation location. Having toured the facility, I am pleased to announce that Graduation Ceremonies for the Sun Valley High School Class of 2012 will be held at Neumann's Mirenda Center this year.

We are excited to be able to have the Sun Valley Seniors graduate in our own community. Based on feedback from parents and students, we are fortunate to have secured a beautiful venue for our seniors in their neighborhood. Neumann's campus offers convenience and quick accessibility for pre and post-graduation travel and events. It also offers picturesque views for photos before and after graduation, cutting edge technology, and an intimate setting, minutes from our houses.

Please note that the change in location has necessitated a date change for the graduation ceremony. The Senior Class will now graduate Tuesday, June 12<sup>th</sup>, 2012 – one day earlier than previously scheduled.

As we progress toward graduation, please look for information on senior events, such as awards, banquets, breakfast, and graduation week. The Sun Valley teachers, administration, and staff are looking forward to the numerous milestone events for our 50th graduation class. If you have any questions, feel free to call me at (610)497-6300 x 2353 or email [pdonaghy@pdsd.org](mailto:pdonaghy@pdsd.org).

Sincerely,

Mr. Pete Donaghy  
Principal, Sun Valley High School
