

NORTHLEY ATHLETICS

Student-Athlete Pick-up Contract

Parents/Guardians:

Northley has a dedicated group of qualified coaches who are excited to coach your student-athlete. They are passionate about their sport and teaching the skills needed to be successful at the middle school level and beyond. Our coach's main role is to provide your student-athletes with a safe, fun, and competitive experience while they are here at Northley.

With that, our coaches are instructed to wait after every practice and game until the last child has been safely picked up. In coordination with Northley Administration, we have developed the following guidelines to assure your child's safety and to honor and respect our coaches' time.

NOTE: All parents and guardians must sign the below attestation in order to be eligible to play a sport this spring.

I hereby certify that I will pick up my student-athlete after every practice and game at the time determined by the coach. The coach will wait with your student-athlete until 20 minutes after the scheduled pick-up time.

After 20 minutes, the following procedures will be in place:

1. The coach will start calling your emergency contacts to pick up your student-athlete.
2. The coach will continue to wait until the child has been safely picked up.
3. The student-athlete will be ineligible to participate in the next game.
4. If your pick-up time is missed on three occasions, the student-athlete will be ineligible to participate in athletics for the remainder of the current season.
