

SUMMER READING

GRADE 8

2021

Dear Parents and Students:

All of us who are involved in teaching reading and English acknowledge the value of reading all year long – not just during the school year. For that reason, we have developed a required summer reading assignment because we believe it will help students meet academic challenges in the coming year and encourage them to develop independent reading habits.

Directions for students entering Grade 8:

- 1. Read one book from the list of choices**
- 2. Divide your book into thirds. While reading, complete Summer Reading Logs for each of the 3 sections. Reading Logs will be collected for credit on the 1st day of school. Responses should be thorough and specific, reflecting on main events, theme, and characters; as well as, personal connections and ideas. PLAGIARISM WILL NOT BE TOLERATED AND WILL RESULT IN ZERO CREDIT FOR ALL STUDENTS INVOLVED.**
- 3. In addition to completing the Summer Reading Logs, students will be assessed on their knowledge of the book during the 1st week of school. These assessments may include a project, discussions, test, and/or writing assignment.**
- 4. Take Reading Counts quizzes.**

Student may take Reading Counts quizzes during the summer or in September when they return to school.

This packet of information is available on the Penn-Delco website at www.pdsd.org.

We advise students who purchase their book to keep them. They will find it helpful to have the books available to refer to when they return to school and start working on assignments related to their summer reading

Sincerely,

The Eighth Grade Language Arts Teachers

Please choose one book from your level: We recommend that parent and student discuss the selection for its appropriateness for the individual student. While books are selected carefully, some students/families may be more sensitive to certain topics than others.

HONORS CLASSES

NOTHING BUT THE TRUTH (Avi) This novel tells the story of a ninth grader's suspension for singing the National Anthem during homeroom. It becomes a national news story.

THE KIDNAPPING OF CHRISTINA LATTIMORE (Joan Lowery Nixon) She spots the masked man in the dark, lonely parking lot--but too late. Grabbed and drugged, Christina is kidnapped and held for ransom. When her family pays, she thinks her ordeal is over. But then she realizes that her family thinks *she* planned the kidnapping! How will Christina prove her innocence?

THE MISFITS (James Howe) – Skeezie, Addie, Joe and Bobby are not the most popular kids in the school, but at least they are helping each other survive the seventh grade. Together they may change the school forever.

THINGS NOT SEEN (Andrew Clements) - Teens, especially those not in the über-popular set, know all about feeling invisible. But what would happen if you actually did wake up invisible one day? Fifteen-year-old Bobby is faced with this curious predicament.

ACCELERATED/LEARNING CENTER CLASSES

A BOY AT WAR: A NOVEL OF PEARL HARBOR (Harry Mazer) – While fishing with his friends off Honolulu on December 7, 1941, teenager Adam is caught in the midst of the Japanese attack. FLUSH (Carl Hiaasen) – In this fast-paced and funny Florida adventure, Noah’s father has been jailed for sinking the “Coral Queen,” a boat he believes is dumping sewage into the ocean.
