Teacher Representative Report-Nicole Armbruster

- 6th graders have a perk since they know their teachers and classes.
- She appreciates everyone's patience with technology issues.
- Spiritwear will be getting sent home soon. A link will be sent through Mr. Alutius's email. Spiritwear is through Army-Navy. She recommends sizing up for students so that they are able to wear them all through middle school
- Haunted Hallway cannot be done.
- Outside events can be done. Thinking about doing a drive-thru.
- Winter formal for 8th graders is up in the air at this time. If anyone has another idea to replace the winter formal, please let Caryn or anyone on the executive board know.

Principal's Report

- Welcoming 6th grade into the building for the first time tomorrow, 10/8/20.
- Teachers are ready to go and can't wait to get started.
- 6th graders come to the front of the building and buses drop them off at the front.
- 7th and 8th grade walkers enter at the rear of the building.
- Can get students into Homerooms right away.
- Masks are a must! If there's a medical reason not to wear a mask, that must be discussed with the principal and nurse. There has to be a Doctor's note. A shield does not replace a mask.

Events

- The governor and state released new recommendations for indoor and outdoor events. School is not an event.
- Cannot do Haunted Hallway, There are too many forms and restrictions.
- Extracurricular clubs do not fall under events. Can have reading olympics or Science Olympiads. No late busses right now.
- Sports at Northley are on hold.
