

# Kindergarten

## Parent Orientation

Welcome to the Penn-Delco class of 2037! We offer parents whose children will attend any of our four elementary schools an opportunity to meet with the Supervisor of Elementary Education and other administrators in preparation for the transition into elementary school life.

**All incoming 2024 kindergarten parents** are welcome to choose one of these orientation events to be held on two dates at two times for your convenience:

- Pennell on Wednesday, May 15 @ 6:30pm
- Coebourn on Thursday, May 16 @ 9:30am

Topics of discussion will include information about curriculum and assessment, the daily schedule, a “view” into our classrooms, and how to prepare your child for September. A kindergarten social will be held at each home school, including a tour, at a later date prior to the start of school.

A few things to remember:

- ***Penn-Delco Kindergarten is a full-day program.***
- Registration for 2024 - 2025 is [open at pdsd.org/registration](https://pdsd.org/registration).
- Kindergarten times mirror a normal elementary schedule with an 8:50am start and a 3:25pm dismissal.
- Transportation **is provided** by Penn-Delco for any kindergarten student who lives within a bussing zone.

We look forward to meeting our new kindergarten parents and offering you and your child a smooth transition during this exciting time!
