Dear Grant Recipient,

We are thrilled to award your organization a grant in the amount of \$1000.00. This award is in recognition of the work done by your students as part of their Explore.Act.Tell. challenge project.

Please accept this award from The Foundation for Impact on Literacy and Learning along with the Albertsons Companies Nourishing Neighbors program. As confirmation that you have received this grant, please complete, and return the attached response form. We would like to receive your response form by December 31<sup>st</sup>, 2023. Failure to return the form may jeopardize future awards.

The students involved in this project have worked hard to understand and apply new leadership skills by doing work in their community.

Thank you so much for the work you do to make communities and the world a better place.
