COMMENTS BY MEMBERS OF THE BOARD

President Armour, indicated he and Dr. Steinhoff were accused of laughing during public comment; this is not accurate. It was regarding a comment about landscaping. He has asked any parent that has concerns to please bring them to the Board.

COMMENTS BY MEMBERS OF THE PUBLIC

Noreen Tarr – 3345 Bancroft Dr. – Aston; commented on an on-going noise complaint with Pennell’s HVAC unit, which sounds like a leaf blower. Also stated she’s not getting any response back.

President Armour noted there have been studies conducted, they’ve offered solutions, but no resolution has been acceptable.

Elizabeth Finnegan – 4307 Mount Vernon Rd – Brookhaven; commented on issues involving a student and bullying in the District.

Brian Dawk (aka Jim Finnegan) – 4307 Mount Vernon Rd – Brookhaven; commented on bullying in the district.

Jude Saunders – 62 E. Chelton Rd – Parkside; commented on bullying within the District.

Nicole Boyers – 108 E. Chelton Rd – Parkside; commented on 1st Amendment Rights and editing public comments. She indicated that the Superintendent and Board President should resign.

Ed Mongelluzzo – 4307 Mount Vernon Rd – Brookhaven; commented on a bullying survey from 2016; there is disparity between the definition of bullying between the administration and the students. They need to identify areas that can be improved upon.

COMMENTS BY MEMBERS OF THE BOARD

Dr. Steinhoff wanted to clarify on Mrs. Tarr’s comments. Our Facilities Direct, Brian Datte, has been out to her house about 15 – 20 times. Our Business Administrator and he have visited her home as well. He understands her frustration, surveys have been conducted, but her house sits directly behind the school.

Dr. Steinhoff indicated the Board asked, after last months meeting, to gather information on the extent of bullying in our schools. He reported that bullying has declined at Sun Valley and Northley since 2021; but feels we can improve. Most areas are below Delaware County’s and the State’s levels. Until that number is zero, there is still work to be done. This information was provided by PaySurvey, which was completed. He also commented that they were advised by Counsel, that anything that occurs outside the District, they could not discipline those involved.

COMMENTS BY MEMBERS OF THE BOARD - Continued

Regarding the discord “hit list”, Dr. Steinhoff indicated that the matter was referred to law enforcement and they determined there was no credible threat. The incident occurred outside school hours and grounds, and the District cannot issue discipline to students. The SRO reviewed the incident and deemed the threat not credible.

Mr. Michael Puppio went over the process if there is a disagreement between parents and the district. The Board can’t discuss student issues publically. Most educational issues start with an IEP. He gave an overview of the process when discussing student matters, including discipline. They cannot discuss student matters in a public forum. The District will be reviewing all social medical policies, and make changes where necessary. Lastly, he spoke regarding the 1st amendment, and indicated that the Board is permitted to place guidelines on their meetings.

Dr. Steinhoff thanked Mrs. Jones for agreeing to be the DCIU Rep for Penn-Delco and Mr. Mancinelli for being our Rep for PSBA Legislative Council.

ADJOURNMENT

Following a motion by Mrs. Jones and seconded by Mr. Tinsley the Board adjourned by unanimous consent at 8:58 p.m.

Respectfully Submitted,

Erik Zebley
