

The Delaware County Library System: You've got homework. We've got help.

*The Delaware County Library System,
an agency of county government, now offers
help from real, live tutors online at the library
or from home via the Internet!*

Live Homework Help® is available for Kindergarten – 12th grade, college introduction level students, and adult learners, Sunday through Thursday from 3:00 p.m. to 10:00 p.m. This program connects students to a real live tutor. Students of all ages simply log on to the DCLS website, enter their library card number, grade level and the subject with which they need help and within a few minutes or less they are connected to an expert tutor. Students can receive help in math, science, social studies or English. Tutors are trained and screened for safety.

If you'd like to learn more about the program, please call the DCLS at 610-891-8622 or visit the web site at www.delcolibraries.org and click on the Live Homework Help® icon.

Funding for this service is provided by Delaware County Council.
