Penn-Delco Summer Enrichment 2016
Penn-Delco School District is pleased to offer a variety of summer enrichment programs that are designed to be informal, informational, and invigorating! We have several new course offerings this year in both half-day and full-day formats. Please note:

- **Deadline for registration application is June 10, 2016**
- **Courses are filled on a first-come, first-served basis**
- **Contact Mrs. Verica at 610-497-6300, x1314 for registration information**

**PaySchools Online**

Making purchases is easy! Penn-Delco now offers the PaySchools service. Parents, students, and community members can create accounts and pay for items and activities online. Both Summer Enrichment and Summer School classes are available for online payment. Transactions are private and secure; financial information is not stored. Please visit our website at [www.pdsd.org](http://www.pdsd.org) and select the **PaySchools-Online** link under the **Site Shortcuts** menu on the right side of the screen to begin the process.

We look forward to sharing your summer in a relaxed and fun season of learning!

2016 SUMMER ENRICHMENT PROGRAM

INSTRUCTIONAL VOLLEYBALL CAMP

- Program designed for students entering grade 3-5 in September 2016.

The instructional volleyball camp is designed for beginning volleyball players with little to no experience. This camp will focus on the skills of passing, setting, serving, and hitting by teaching the basics of each skill. It will also include simple games designed to isolate each skill in a competitive and fun environment.

LET’S LEARN ABOUT PLANTS!

➢ Program designed for students entering grades K-3 in September 2016.

Students will have a chance to grow their own plant, and using the scientific method, they will determine the best way to grow it. Students will also have a chance to read about plants and hear about jobs related to growing plants. Students will learn why we need plants in order to live and grow.

Instructor: Kathleen Phelps

Duration: 4 DAYS

Dates: Session #1: Tuesday, July 5 – Friday, July 8, 2016
OR
Session #2: Monday, July 11 – Thursday, July 14, 2016

Time: HALF DAY  12:00 – 2:30 p.m.

Location: Pennell Elementary School

Cost: $80.00 (cost includes materials)

For additional information on Let’s Learn About Plants, please contact Kathleen Phelps at kphelps@pdsd.org.
WRITE YOUR OWN CHILDREN’S BOOK

➢ Program designed for students entering grades 1-5 in September 2016.

Become an author and publisher! Students will learn to write and illustrate a hard cover children’s book during this enriching summer workshop. Students will brainstorm ideas and learn the process of publishing a book from idea to finished product. Books will be shared during an author’s party on the final day. THIS COURSE RUNS TWO WEEKS.

For additional information on Write Your Own Children’s Book, please contact Patricia Krause at pkrause@pdsd.org.
ADVANCED IPAD MOVIE-MAKING CLASS

- Program designed for students entering grades 4 - 6 in September 2016.

Using a variety of apps and iMovie, students will use the appropriate applications to script, plan, capture, integrate animation, and edit a 30-minute film. iPads will be provided for use during class. This program uses skills learned in the Beginner’s Class and takes it up several notches! Students will dig deeper into video editing on the iPad, and will write a short film to be viewed on the final class day.

Instructor: George Washinko
Duration: 4 DAYS
Dates: Session #3: Monday, July 18 – Thursday, July 21, 2016
Time: HALF DAY 12:00 – 2:30pm
Location: Coebourn Elementary School
Cost: $70.00

For additional information on Advanced iPad Movie-Making, please contact George Washinko at gwashinko@pdsd.org.
THE AMAZING RACE – ART EDITION!

- Program designed for students entering grade 2-6 in September 2016.

Do you LOVE making Art?  Are you a fan of The Amazing Race or just learning about other countries?  Student artists who accept the challenge and register will take part in a virtual race through countries all over the globe. They will learn a little about how artists in other countries make art and will then work to complete their own art challenges, inspired by their new art knowledge. Many different types of art media will be used, including clay, textiles, and paint. Artists can expect to bring home several international art pieces. Will you accept the challenge?  See you on the starting line!

</table>

*Course is limited to ten students

For additional information on The Amazing Race – Art Edition, please contact Nicole Gordon at ngordon@pdsd.org.
ART CAMP - IMAGINARIUM

Program designed for students entering grade 2-6 in September 2016.

Imagination is more important than knowledge. – Albert Einstein
Student artists who register for this art camp will learn to stretch the limits of their imagination. They will use their creative ideas and lots of cool art medium and tools to create artistic interpretations of new creatures, inventions, and even worlds. Many different types of art media will be used, including clay, textiles, and paint. Artists can expect to bring home several art pieces. Can you IMAGINE the possibilities?

Instructor: Nicole Gordon
Duration: 4 DAYS
Dates: Session #1: Tuesday, July 5 – Friday, July 8, 2016
Time: FULL DAY 9:00am – 2:30pm
Location: Pennell Elementary School
Cost: $148.00 (cost includes art materials)

*Course is limited to ten students

For additional information on Art Camp - Imaginarium, please contact Nicole Gordon at ngordon@pdsd.org.
BEGINNER IPAD MOVIE-MAKING CLASS

Program designed for students entering grades 4 - 6 in September 2016.

Have you ever wanted to be a director or film a movie? Using iMovie and a variety of apps, students will create mini movies and animated videos using an iPad. iPads will be provided for use during class. Students will work as a team to create motion picture masterpieces!

Instructor: George Washinko
Duration: 4 DAYS
Dates: Session #1: Tuesday, July 5 – Friday, July 8, 2016
Time: HALF DAY 12:00 – 2:30pm
Location: Coebourn Elementary School
Cost: $70.00

For additional information on Beginner iPad Movie-Makings, please contact George Washinko at gwashinko@pdsd.org.
CREATIVE WRITING

Program designed for students entering grade 4 – 8 in September 2016.

Use your imagination, wits, and insight to hone your writing skills! Students will be encouraged to develop their own personal voice through a variety of writing styles. In previous years, students have written poetry, persuasive non-fiction, and even dramatic scripts.

Instructor: Renee DiPietro

Duration: 4 DAYS

Time: HALF DAY 9:00 – 11:30am
4th through 6th grades

          HALF DAY 12:00 – 2:30pm
       7th and 8th grades

Location: Coebourn Elementary School

Cost: $70.00

For additional information on Creative Writing, please contact Renee DiPietro at rdipietro@pdsd.org.
PENN-DELCO SCHOOL DISTRICT  
2016 SUMMER ENRICHMENT PROGRAM

EXPERIMENTAL ART MAKING

- Program designed for students entering grade 2 – 6 in September 2016.

Can’t get enough art? Want to learn how to make art with all kinds of fun stuff? Students in this session will be exposed to a variety of art-making materials and will be encouraged to explore, experiment, and take risks with their art. We will use traditional art-making materials, such as drawing supplies and paint, as well as non-traditional supplies, such as shaving cream! Several art pieces will be completed by the end of the week and will go home with the artists. If you have always wanted to try something new with your art, then this is the class for you!

Instructor: Samantha McGinn

Duration: 4 DAYS

Dates: Session #3: Monday, July 18 – Thursday, July 21, 2016

Time: FULL DAY 9:00am – 2:30pm

Location: Coebourn Elementary School

Cost: $150.00 (cost includes art materials)

*Course is limited to ten students

For additional information on Experimental Art Making, please contact Samantha McGinn at smcginn@pdsd.org.
INTRO TO CODING
(COMPUTER SCIENCE)

Program designed for students entering grade 4 – 8 in September 2016.

Using professional coding software, students will learn how to code and will join the Code Academy to continue free lessons after the workshop is completed. “In the year 2020, there will be 1.4 million jobs in computer coding, but only 400,000 people with the right skills to fill them.” Students in this workshop will develop a basic understanding of two coding languages, formats, and images.

Instructor: Renee DiPietro

Duration: 4 DAYS

Dates: Session #2: Monday, July 11 – Thursday, July 14, 2016

Time: HALF DAY 9:00 – 11:30am
4th through 6th grades

HALF DAY 12:00 – 2:30pm
7th and 8th grades

Location: Coebourn Elementary School

Cost: $70.00

For additional information on Intro to Coding, please contact Renee DiPietro at rdipietro@pdsd.org.
NATURE INSPIRED ART

- Program designed for students entering grade 2 – 6 in September 2016.

Can’t get enough art? Do you love animals, plants, and everything about nature? If so, this class is for you! Students will enhance their art-making skills while also expanding their creativity in making nature inspired art. The theme of nature will allow artists to create a variety of artworks using various materials. We will focus on how to get ideas for artwork from the wonderful world around us!

Instructor: Samantha McGinn

Duration: 4 DAYS

Time: FULL DAY 9:00am – 2:30pm

Location: Coebourn Elementary School

Cost: $150.00 (cost includes art materials)

*Course is limited to ten students

For additional information on Nature Inspired Art, please contact Samantha McGinn at smcginn@pdsd.org.
TEAMWORK CHALLENGE!

Program designed for students entering grade 4 – 8 in September 2016.

Students will learn to collaborate and work as a team to accomplish a variety of exciting real and scenario-based challenges. Teammates will develop communication, problem-solving, and creative thinking skills to accomplish rescue missions, survival games, and other challenges.

Instructor: Renee DiPietro

Duration: 4 DAYS

Time: HALF DAY 9:00 – 11:30am
4th through 6th grades
HALF DAY 12:00 – 2:30pm
7th and 8th grades

Location: Coebourn Elementary School

Cost: $80.00 (cost includes challenge materials)

For additional information on Teamwork Challenge, please contact Renee DiPietro at rdipietro@pdsd.org.
6TH GRADE TRANSITION CAMP

Program designed for students entering grade 6 in September 2016.

This course is designed for all students who want a “jump start” on the Northley experience. Students will participate in team-building activities and meet other incoming sixth graders from all four elementary schools before the year begins. Master opening a locker, finding your way around, and learn more about what Northley Middle School has to offer. Build confidence in yourself and develop new friendship skills while participating in fun activities!

Duration:  4 DAYS

Time:     FULL DAY   9:00 – 2:30pm

Location: Northley Middle School

Cost:     $140.00

For additional information on 6th Grade Transition Camp, please contact Nicole Sayre at nsayre@pdsd.org.
ANIMAL ANATOMY

Program designed for students entering grades 6-8 in September 2016.

This course is designed for students who have an interest in the medical field (doctors, nurses, veterinarians, etc.). Students will learn proper dissection techniques, examine the internal anatomy of several different organisms, and learn the proper terms for anatomical positions. Some of the organisms may include: dogfish shark, starfish, crayfish, and rat.

Instructor: Kathleen Phelps and Cheryl Wiest

Duration: 4 DAYS

Dates:
- Session #1: Tuesday, July 5 – Friday, July 8, 2016
- OR
- Session #2: Monday, July 11 – Thursday, July 14, 2016
- OR
- Session #3: Monday, July 18 – Thursday, July 21, 2016
- OR
- Session #4: Monday, July 25 – Thursday, July 28, 2016

Time: HALF DAY 9:00 – 11:30am

Location: Pennell Elementary School

Cost: $95.00 (cost includes materials)

For additional information on Animal Anatomy, please contact Kathleen Phelps at kphelps@pdsd.org.
FOR THE BIRDS: A STUDY OF TEXTURE AND FORM
THROUGH HANDBUILDING WITH CLAY

➤ Program designed for students entering grades 6-8 in September 2016.

This course is a creative study in texture, form, imagination, and all bird-related studies using paper patterns and clay! Students will design and build complex and elaborate bird houses using flat sheets of clay and basic geometry shapes to raise the walls of the form. Students will decorate the forms with intricate surface designs. These functional forms will later be glazed to a hardened ceramic state in an electric kiln. Students will need to make arrangements with instructor to return in Session #3 to collect and glaze fired pieces if desired. Some art experience suggested but not required.

Instructor: Jeffrey Hartman

Duration: 4 DAYS

Dates: Session #2: Monday, July 11 – Thursday, July 14, 2016

Time: FULL DAY  9:00am – 2:30pm

Place: Coebourn Elementary School

Cost: $170.00 (cost includes art materials)

*Course is limited to ten students

For additional information on For the Birds: A Study with Clay, please contact Jeffrey Hartman at jhartman@pdsd.org.
INTRO TO PUBLIC SPEAKING & DEBATE

Program designed for students entering grade 6 – 8 in September 2016.

This new course is for anyone interested in overcoming fear of public speaking or “stage fright.” Students enrolled in this course will be introduced to the art of public speaking, argumentation, and develop valuable leadership and communication skills. Prior public speaking experience is not required.

AMERICAN RED CROSS
BABYSITTER TRAINING

- Program designed for students who will be 11 – 17 years old at the beginning of the class in July 2016.

Students will learn skills and responsibilities relevant to becoming a babysitter. Training includes infant and child supervision, feeding, diapering, staying safe, and how to best respond to emergencies. Participants will practice skills that require them to be on the floor, therefore, dress comfortably and appropriately. A babysitter safety kit will be provided. THIS COURSE RUNS ONE EXTENDED DAY.

THE ART OF RELAXATION:  
MAKE YOUR OWN DESIGNS TO COLOR!

Program designed for students entering grade 6-10 in September 2016.

One of the great things art can do is provide you with a way to work off stress. The therapeutic and rhythmic activity of coloring is a great way to relax your mind while making beautiful art! Why buy coloring books when you can make your own designs? Enjoy fun conversation with other students while practicing 2D art and design skills – composition, balance, line, shape, and texture! We will practice the Art of Zentangle, creative doodling, making designs to color, painting mandalas, making posters, creating your own coloring books and more. No special drawing skills are necessary – if you can use a ruler, you’re ready for this class! Come join the crew as we “chillax” and create!

Instructor: Shari Sharp
Duration: 4 DAYS
Dates: Session #1: Tuesday, July 5 – Friday, July 8, 2016
Time: FULL DAY 9:00am – 2:30pm
Location: Pennell Elementary School
Cost: $150.00 (cost includes art materials)

*Course is limited to ten students

For additional information on The Art of Relaxation: Make Your Own Designs to Color, please contact Shari Sharp at ssharp@pdsd.org.
SOUNDS OF SUMMER YOUTH BAND CAMP

- Program designed for students entering grade 5 - 9 in September 2016.

This course is open to students who have played their instruments for at least one year in school band. Curriculum will include small group instruction and small ensemble performance, as well as a combined band ensemble. The last evening will be open to all students’ family members who have an instrument and wish to sit in with students.

Instructor: Nicholas Pignataro

Duration: 4 DAYS

Dates: Pre-session: Monday, June 27 – Thursday, June 30, 2016

Time: HALF DAY 9:00 – 11:30am
PLUS!
6:00 - 8:30pm on Thursday, June 30 only
(rehearsal at 6:00pm followed by concert at 7:30pm)

Location: Pennell Elementary School

Cost: $80.00*

*COST INCLUDES $10 FOR A CAMP T-SHIRT. PLEASE INDICATE SIZE ON REGISTRATION FORM FOR EACH STUDENT. YXS, YS, YM, YL, S, M, L or XL

For additional information on the Sounds of Summer Youth Band Camp, please contact Mr. Nicholas Pignataro at npignataro@pdsd.org.
CRASH COURSE IN BIOLOGY

Program designed for students entering grade 10 in September 2016.

This course is designed for students who plan to test out of Honors Biology and go right into AP Biology as a sophomore. We will review prior learning and cover major concepts students should know to be successful in AP Biology.

Instructor: Adria Bondanza

Duration: 4 DAYS

Dates: Session #2: Monday, July 11 – Thursday, July 14, 2016

Time: HALF DAY 12:00 – 2:30pm

Location: Pennell Elementary School

Cost: $70.00

For additional information on Crash Course in Biology, please contact Adria Bondanza at abondanza@pdsd.org.
CRASH COURSE IN GENERAL SCIENCE

- Program designed for students entering grade 9 in September 2016.

This course is designed for students who plan to test out of the 9th grade general science course and go right into Biology as a freshman. We will review prior learning and cover major concepts students should know to be successful in biology class.

For additional information on Crash Course in General Science, please contact Adria Bondanza at abondanza@pdsd.org.
DIGITAL FILMMAKING

Program designed for students entering grade 9-12 in September 2016.

Students will learn the art of filmmaking. Students will write a 3-act film and work together to translate their vision from the page to the screen. Camera techniques and editing will be taught through collaborative group work, culminating in the creation of a finished, student-produced short film.

Instructor: Christopher Pierdomenico

Duration: 4 DAYS

Dates: Session #3: Monday, July 18 – Thursday, July 21, 2016

Time: HALF DAY 12:00 – 2:30pm

Location: Coebourn Elementary School

Cost: $75.00 (cost includes video materials)

For additional information on Digital Filmmaking, please contact Christopher Pierdomenico at chris.pierdomenico@gmail.com.
FIGURATIVE STORYTELLING THROUGH CLAY

Program designed for students entering grades 9-12 in September 2016.

This course takes students on a creative study of the human figure with clay while designing and constructing an intricate marionette puppet. Students will be drawing personalized characters of his/her own creation and bringing them to life using clay sculpture techniques and tools. This process brings to life art’s ability to tell stories. These forms will later be glazed to a hardened ceramic state in an electric kiln. Students will need to make arrangements with instructor to return in Session #2 to collect, string, and paint pieces if desired. Some art experience suggested but not required.

Instructor: Jeffrey Hartman

Duration: 4 DAYS

Dates: Session #1: Tuesday, July 5 – Friday, July 8, 2016

Time: FULL DAY 9:00am – 2:30pm

Place: Coebourn Elementary School

Cost: $170.00 (cost includes art materials)

*Course is limited to ten students

For additional information on Figurative Storytelling through Clay, please contact Jeffrey Hartman at jhartman@pdsd.org.
RELIEF SCULPTURAL TILES/MURAL CONSTRUCTION

Program designed for students entering grades 9-12 in September 2016.

Students will be focusing on texture and elaborate studies of line and shape in order to create dynamic clay tiles that work together as a set. Students will be introduced to new tools and techniques in order to bring a flat surface to life using clay as a medium to create an image. The tiles will later be glazed to a hardened ceramic state in an electric kiln. Students will need to make arrangements with instructor to return in Session #4 to collect and glaze tiles if desired. Some art experience suggested but not required.

Instructor: Jeffrey Hartman
Duration: 4 DAYS
Dates: Session #3: Monday, July 18 – Thursday, July 21, 2016
Time: FULL DAY 9:00am – 2:30pm
Place: Coebourn Elementary School
Cost: $170.00 (cost includes art materials and extended days)

*Course is limited to ten students

For additional information on Relief Sculptural Tiles, please contact Jeffrey Hartman at jhartman@pdsd.org.
TV PRODUCTION/BROADCAST JOURNALISM

Program designed for students entering grade 9-12 in September 2016.

Students will learn the foundations and processes of television production (shot types, use of camera equipment, editing, sequencing) and broadcast journalism/media literacy (reporting a story, purpose, audience, rhetorical techniques) from pre-production through production and post-production. This course will culminate in the creation of two group video projects.

UNDER CONSTRUCTION!
SCULPTURAL OBJECTS MADE OF CARDBOARD AND PAPER

Program designed for students entering grades 9-12 in September 2016.

Students will be designing and creating large paper and cardboard sculptures based off everyday objects. We will be deconstructing an actual object into simple patterns which will later be reconstructed using recycled materials. Cardboard is a simple material that offers many complex opportunities to create forms in art. These forms may be left in their raw cardboard state or painted to enhance the surface of the material and object that the student creates.

Instructor: Jeffrey Hartman

Duration: 4 DAYS

Time: FULL DAY 9:00am – 2:30pm

Place: Coebourn Elementary School

Cost: $160.00 (cost includes art materials)

*Course is limited to ten students

For additional information on Under Construction, please contact Jeffrey Hartman at jhartman@pdsd.org.
